# "Marriage Life Crisis & Divorce"

## **No.1 Source:**

Our family's Culture & Environment which is controlled and influenced by parents is the No.1 Source, when we raised up our kids to habituated with certain cultural habits like Eating & Drinking , Manners, Characteristics, Talking habits, Life Style, Iman and Aqeeda which the children inherited from their childhood & bring it with them when they grew up & at time of marriage, they bring the same Habitual cultural influence to their in laws house, which influence broadly both families but when there are big differences it creates lots of conflicts in the marriage where both of families took themselves their enemies since they seems always against of Natural expressions(of bride/ groom) & day to day work, it could be a complaint or insult or irritation developed by both families since ultimately it effects the couple & their love life & intimacy, caused huge conflict , fight, relationship turmoil, doubt in relationship spark huge conflict & disputes and ended up with divorce. Where sometimes due to lack of Iman and lack of knowledge about Islam keep the both parents away from the couple and they left the matter to the couple those who are most inexperienced to deal with marital matter, and we as a parents always feel shy to discuss about any privacy matter and concerned about child so this leave a big gap and they step out for help from some person who are also ineligible and caused more distress into their marriage life, they often commits Kufr like went to Peer baba, maulana, friends, Astrologer to solve their problem where those people can't solve their matter even worsening it ,not even the mother from both child unable to fix the issues since they both

has bitter and negative experiences in their own life and they saw everything from that angle and become emotional and advised such decision those are very harmful and reach to a position that divorce can't be undone.

We often also gave the task of mediation to solve the marriage problem in some person's hand those who has lack of knowledge of Sunnah of Rasool SAW(PBUH) and they are blind and harmful for the whole community and sometimes they are partial and selfish and blind, all the direction or judgement they gave there is an end result i.e. divorce. When we leave this to a court case which mean it will be going to end of the marriage since nobody understand the problem rather the couple themselves. Often, they are a victim of a situation where they had to gave up their marriage only because of ego of the both parents and their families.

## No.1 Fixer:

DEEN of Rasool Allah SAW(PBUH) & never leave your kids alone & always become helper, guardian to them so that they may always come to you & share with you their Problem not share with their friends or anybody else otherwise any wrong Decision of others might cause disaster & many damage. We can look from this Sahih Hadith below that how our beloved Prophet SAW(PBUH) used to be an integral part of the private life of his SAW(PBUH) daughter Fatima Ra. And Son in Law Ali Ra.

It is reported on the authority of Ali that Fatima had corns in her hand because of working at the hand-mill. There had fallen to the lot of Allah's Apostle (ﷺ) some prisoners of war. She (Fatima) came to the Prophet (ﷺ) but she did not find him (in the house). She met A'isha and informed her (about her hardship). When Allah's Apostle (ﷺ) came, she (A'isha) informed him about the visit of Fatima. Allah's Messenger (ﷺ) came to them (Fatima and her family). They had gone to their beds. 'Ali further (reported):

We tried to stand up (as a mark of respect) but Allah's Messenger (ﷺ) said: Keep to your beds, and he sat amongst us and I felt the coldness of his feet upon my chest. He then said: May I not direct you to something better than what you have asked for? When you go to your bed, you should

recite Takbir (Allah-o-Akbar) thirty-four times and Tasbih (Subhan Allah) thirty-three times and Tahmid (al-Hamdu li-Allah) thirty-three times, and that is better than the servant for you.

Chapter: The Tasbih At The Beginning Of The Day And When Going To Sleep

So, Prophet SAW(PBUH) had an access to the bed room of his SAW(PBUH) daughter Ra. And Son in Laws Ra. Life, often he SAW(PBUH) used to discuss and solve any matter related marital bliss and solve personal conflicts, and Prophet SAW(PBUH) also never biased to his SAW(PBUH), and he SAW(PBUH) always encourage to Fatima Ra. To adjust to any hardship or hard work inside the home, on the other hand he SAW(PBUH) reacted to matter from the angel of a father (PBUH) that when Ali Ra. Decided to marry the daughter of Abu Jahl. And a father should react in such cases we must refer from this example from the life of Rasool SAW(PBUH)

'Ali b. Husain reported that Miswar b. Makhramah informed him that 'Ali b. Abi Talib sent the proposal of marriage to the daughter of Abu Jahl as he had Fatima, the daughter of Allah's Messenger (ﷺ), (as his wife). When Fatima heard about it, she came to Allah's Apostle (ﷺ) and said:

The people say that you never feel angry on account of your daughters and now 'Ali is going to marry the daughter of Abu Jahl. Makhramah said: Thereupon Allah's Messenger (ﷺ) rose up and I heard him reciting Tashahhud and say: Now to the point. I gave a daughter of mine (Zainab) to Abu'l-'As b. Rabi, and he spoke to me and spoke the truth. Verily Fatima, the daughter of Muhammad, is a part of me and I do not approve that she may be put to any trial and by Allah, the daughter of Allah's Messenger cannot be combined with the daughter of God's enemy (as the co-wives) of one person. Thereupon 'Ali gave up (the idea of his intended) marriage.

## No.1 Breaking Point:

Focus on "Women" as they are the fundamental icons of the society, care them, love them, educate them & taught them good manners & patience and always become her friend & protector, show her optimism & positivity and also train her to show them also evil side of the society.

When our children have been grown up we always being concerned for their life and wellbeing, so quickly taken decision on behalf of them, and initiate a marriage proposal through a "Mediator" where the "Mediator" could a "women" or "men" or an "organization" they provide the testimony

services, due to their nature of character i.e. they only concerned about their business i.e. Money so they mostly hid the vital and critical information from both families and they manipulated both of them to immediately come to a decision and tie a knot but eventually both families suffers after marriage when they start discovering the truths about themselves and its always ended up in divorce due to adjustment issues and cultural differences.

We as a parents who must see that our son is earning enough to take care of his wife and families and there is enough emergency fund and monthly cash flow i.e. income to support the marriage, otherwise the father's wealth is not ideal to protect of his sons marriage , soon the son has to undergo with many hurdles which can ended up with lost of fund, cut off relationship with families and he let himself suffers alone due to any sentiments, so as a father of your daughter also its your responsibility to collect all the information about the future son in laws and he must have his own source of income and fund in his account and he must not have any alcohol addictions.
