**No. 1 Fixer of Life :** Chose Medium Way of Life and stay away from the destructive areas such as Jinn, Jadu Tona, Nazar, Peer Baba, dargah i.e. visiting graveyard, Tawiz, Kundali, Ruqya, Palm Reading, Gemstone, Eclipse, Good Day or Bad Day, Good Luck or bad Luck, (Dajjal, Imam Mahdi Ra's arrival, Isha As. Arrival etc. leave this matter with Allah but stop spread fitnah since it's become distraction from reality) and any kind of superstitious since its destroy our Cognitive Thinking Pattern and Right Mind Set

### Surah Al Hijr 15

39. [Iblees] said, "My Lord, because You have put me in error, I will surely make [disobedience]

attractive to them [i.e., mankind] on earth, and I will mislead them all

40. Except, among them, Your chosen servants."

41. [Allah] said, "**This is a path [of return] to Me [that is] Straight.** ( No.1Fixer is Sunnah which is Siratal Mustakeem, a journey through the Life of Prophet Mihammad SAW(PBUH) so to follow only his SAW(PBUH) leadership is called Siratal Mustakeem which is to lead life in medium way don't exceed in DEEN and stay away from the matter of fitnah and conflict and follow the Unity Management )

Life's direction is also called Siratal Mustakeem, where Allah SWT mentioned a Story in Surah Kahf 18 and in Ayat 10 about those Youth took shelter in Cave and was afraid of their life, their direction, safety of their Iman and concern about their life , where they prayed "- rabba atina milladunka rahmata wa haiyi lana min amrina rashada"-Hey our Lord give us the provision and direction of our life directly from You? – so for us Allah SWT already gave us the provision through Prophet Muhammad SAW(PBUH) which to follow Quran and Sunnah and ideally we need to follow what Rasool SAW(PBUH) used to follow, what he SAW(PBUH) advised us to stay away from the matter fitnah and conflict and how to live our life in this world.

### Surah Fatiha 1: Ayat 7

"**Siraatal-lazeena an'amta 'alaihim ghayril-maghdoobi 'alaihim wa lad-daaalleen**"- Show us the path whom you have favoured i.e. the path of Rasool SAW(PBUH) but not the path those among who denied the path of Rasool SAW(PBUH) i.e. Siratal Mustakeem and thus they have been deviated from it and went astray. So follow the path of Rasool SAW(PBUH) it should be our direction of life.

**In Sahih Bukhari, Book 2, Hadith 38**, Prophet Muhammad SAW (peace be upon him) stated, "Religion is very easy, and whoever overburdens himself in his religion will not be able to continue in that way. So you should not be extremists, but try to be near to perfection and receive the good tidings that you will be rewarded." This hadith underscores the Prophet's SAW(PBUH) guidance to avoid extremism and excessive zeal in religious matters, advocating for a balanced and moderate approach to practicing Islam. Additionally, in **Sahih Muslim, Book 4, Hadith 1996**, the Prophet (peace be upon him) cautioned, "Beware of exaggeration (in religion), for indeed, those before you were only destroyed because of their exaggeration." These authentic hadiths highlight the importance of following the middle path in religious practices, as taught by Islam.

Jinn, Jadu, Nazar etc. are the destructive subjects and matter which destroy the Cognitive power of human being and also destroy the Normal, Practical and Logical thinking Pattern. So that's why People can't see the Truth even its Infront of them. He or She will remain in the darkness forever, that's why if anybody plan to destroy the life of others they just plant these belief of Jin, Jadu Tona, Nazar, Tawiz, Gemstone, Kundali, Palm Reading, Planets, Peer Baba, Sadhu Baba, Eclipses, Good Luck, Bad Luck, Auspicious day , bad day of journey etc. and planted it day to day into the head of him or her then they will be sure destroyed in their life soon and they are betraying themselves from their Success forever until he or she comeback to Normal ,Easy, Natural, Logical Thinking Pattern and adopted it for their life then they can regain the momentum of their life and come back to Light and then they can really able to see the Truth and can easily distinguish it from the lies. And then they start discovering the Solution of their life one by one easily and stick to it and success will be assured to them. All these

there is No.1 Source is Kufr and that's comes from the company of Bad and Evil People or a People may dearer to you or respected to you but you are unaware that they are bringing this fitnah to your life since they are very close and have access to you and you always ignored them, trusted them that they can be harmful for your Iman i.e. Self-Belief System in the Religion and your wellbeing in your family. So once somebody put their step into their Trap then automatically, he or she will be destroyed, the person keeps on suffering until he or she removes that person from their life.

All these are creating a Self-Conflict on our Self-Believing System i.e. our DEEN, which itself a self-destructive, means we are killing ourself where we don't need an enemy from outside not even Iblis, nor we need any Ahzab or punishment from Allah. So that's why we must leave those people aside and maintain a good relation but never allow them to our life, Family, Business or Career etc. but must always stretch your hand towards them as and when required by them as per your capabilities but never cut off relation with your Blood relatives and always forgive them and keep progressing in your own life and must create an example of living so that they can follow you in later since when they think that all he or she is doing is as perfect as its lucrative to their eyes since Money and abundance never decrease from them and they start thinking that Allah is happy with them and they have adopted this formula for their living and keep on influencing to the people who are connected, dependent to them or take advice from them where as, soon or later they will destroy their blessing on their own hand as they went away from the path of Allah and Allah never help such people those who chose Kufr instead of His Prophet SAW(PBUH). So those who chose this path and walks in this path we must never follow their foot steps.

Kufr that we tend to adopt evil habits knowingly or unknowingly from those people, we must safeguard ourselves otherwise they will always keep on attacking on our weak points, and it may enter into our marriage life, children, families, personal life, Business, Job, Iman or Aqeeda, Taqwa since this is the Shirk or Sharik of Iblis, he has promised that he will destroy our life and deviate us from the Path of Siratal Mustakeem i.e. Life of Prophet Muhammad SAW(PBUH) and will bring us into the path of hellfire. That's why JaduTona, Nazar, Superstitious etc. are all the destructive area and what Prophet Muhammad SAW(PBUH) used to follow for his SAW(PBUH) entire life i.e. to stick to 3 Kuls i.e. Surah Ikhlas, Surah Falaq and Surah Nas. As a believer to see the current Time and the fitnah or trials, we must not exceed in our DEEN, rather follow medium way of life, must focus on Practical, Logical, Medical, Political thinking pattern, follow and stick to daily 5 times prayer and 5 pillars of Islam, maintain good relation with others, stay away from any Conflicts and maintain Unity and Brotherhood & stay away from any Haram things, focus on Economy and family upbringing this will be enough inshaAllah.

**Note:** Now a days people went extreme into subject and misleading the information in online and social media about Imam Madhi, Yajuj Majuj, illuminati, jinn catching by Ben Halima (a fitnah for us and an actor), Dajjal, Isha AS., Iblis, Jinn, Ruqya etc., no matter these matters have been discussed in Sunnah but we don't know the time and still there are many hidden danger when it's now spreading like a pandemic, where people left their Job, work and wait for Imam Mahdi Ra. To come and save them which is wrong as per Sunnah, our life is our responsibility and we need to prove that we are worth of Allah's decision that we can be Leader of future inshaAllah, but we are engaged in extreme way and we completely lost from the track so not only we are become trap in Kufr but also destroying other's life of innocent people, so stop all these that you are doing since it's harming our community.
